Hundreds of classic cars, muscle cars, street rods, and late models will be on display with 500.00 for "Best of Show" on the line, drawing thousands of enthusiasts to this dynamic event.

"We'll have some not-to-be-missed attractions at this year's show," said John Galante, BHCUCAR CEO. "We're expecting a double digit increase in attendance for this event and real enthusiasts won't want to miss all the action."

Headlining the event will be a celebrity appearance by Spike TV "Powerblock" star, Courtney Hansen. She is an automobile enthusiast, whose career has included hosting the Jack Nicklaus pilot *Killer Golf* and was on the cover of Hot Rod Magazine.

Additionally, Hansen writes a nationally syndicated automotive column titled "Courtney Hansen: Full Throttle", and is the author of "The Garage Girl's Guide To Everything You Need To Know About Your Car." Courtney is the host of "Destination Wild" on Fox Sports Net., and in addition to "Powerblock", Courtney has a new one hour long series called "Great Builds" that airs on Spike TV Sunday Aug. 17th!
